
Email 1 — Write an email from a student to their professor requesting an extension on an assignment submission deadline. The email must follow all professional email rules.

Subject: Assignment Extension Request

Dear Professor,

I am writing to respectfully ask for a 2-day extension on Digital Literacy assignment due this Friday. Due to fever, I need a little more time to ensure my work meets the required standards.

Would it be possible to submit the assignment by 28/03/2026?
Thank you for your time and consideration.

Best regards,
